

## Chromebook Purchases

The District has been purchasing Chromebooks from CDWG for several years. We get great pricing. We have been able to arrange similar pricing for students, parents and staff to purchase Chromebooks directly from CDWG. This is a choice if you want your child to have a similar Chromebook to what they use at school. They can also bring the device to school to use. You will need to pay for shipping, approximately \$17.00.

The link to website is [www.cdwg.com/rochester](http://www.cdwg.com/rochester)

This link will take you to a page in which you click on the Chromebook picture. You will then have these three choices. **You will need to setup an account to purchase these items with a credit card and have them delivered to your home.**

The District has been purchasing the \$132 model with 2G of memory.
